RE: Public Record Request 19-419, Software

Dear Mr. Clemens:

I am writing to follow up on my letter dated October 29, 2019, and sent in follow up to the email I sent on October 23, 2019 in response to your request for public records dated and received October 21, 2019, asking for electronic copies of *"all HR, CAD, RMS, IAPro or similar software, parking tickets, driving citations, j-walking or similar citations, DEMS, 911 Call/radio recorder, internet logs, forensics software including table creating by the SQL software automatically like table of table names and columns."*

In my letter and email, I asked that you clarify the following items so we may begin processing your request. It appears your request pertains to police records, but that is not clear.

1. With regard to "all HR, CAD, RMS, IAPro or similar software," are you a) seeking software for police records? b) seeking software for parking tickets, driving citations, j-walking or similar citations, DEMS, 911 Call/radio recorder, internet logs, forensics? or c) other records? Please identify.
2. Please clarify what is meant by DEMS; I am unfamiliar with this acronym.

As of the writing of this letter, I have not heard back from you and I am closing your request. Please note, if you are looking to obtain information related to police records, the City of Spokane Valley contracts for police services with Spokane County; therefore, you will need to contact them directly. You can submit your public record request by utilizing this web address: <https://www.spokanecounty.org/2254/Public-Record-Requests> or by visiting www.SpokaneCounty.org and selecting "Public Records Requests" from their "Helpful Links" section at the bottom of their home page.

Sincerely,

A handwritten signature in cursive script that reads "Carrie Koudelka".

Carrie Koudelka, CMC
Deputy City Clerk
(509) 720-5101
